

Hooksett Library Non-Resident Card Policy

Individuals who would like a Hooksett Library card but do not live or work in Hooksett will be required to pay an annual fee as set by the Hooksett Library Board of Trustees.

- Non-resident cards are issued in the primary cardholder's name only, however all family members living at the same address may be listed by the primary cardholder as borrowers.
- This fee is based on the average household's property tax contribution to the Hooksett Library.
- The fee is reviewed annually by the Hooksett Library Board of Trustees after the town's budget is approved at town meeting.
- Cards will be renewed annually on July 1st. Letters of renewal will be sent with the updated renewal fee to all registered non-resident fee cardholders.
- New borrowers purchasing a card throughout the year will pay a pro-rated rate based on the calendar date.
- As of July 1, 2015 the current regular non-resident fee is \$60.00.

All revenue generated by non-resident fees shall support non-budget purchases of library museum passes for circulation by the library and other programming needs incurred by the library throughout the current fiscal year.
