Guest: Heather Rainier, Library Director

M. Farwell called to order at 5:47 pm

Public Input none at this time

Secretary’s Report-B. Davis made a motion to approve the December 11, 2018 minutes. Seconded by L. Kleinschmidt.. M. Broderick abstained. Approved by all.

Treasurer’s Report B. Davis reviewed the report ending December 2018 and found the books and material is currently underspent. H. Rainier will look into this matter

Library Director’s Report

GMILCS delivery service: As noted in December, Freedom Xpress, our materials delivery service opted to discontinue our contract at the end of December 2018. A GMILCS subcommittee was created and reviewed three vendor options. The final recommendation was for Green Mountain Messenger. Green Mountain quoted $3,971 per library, per year, an increase of $1,100 per library per year, for a dedicated, 3-days per week delivery service. We will be paying the ½ year increase of $550 this January.

1000 books before Kindergarten program- Our Youth Services Librarian is developing ways to promote the program more, including when children sign up for this they are given a book bag instead of waiting until they complete it. It was suggested that any child that reads 1000 books be put on a bulletin board with the children’s picture and congratulations to them to increase awareness in the library. Additionally, she is collaborating with the Principal at Underhill School to increase awareness and promotion.

We will be using LastPass for passwords security software for the full-time staff for $336.00 annually.

Committee reports
Personnel met on 1-15-19
Policy: Code of Conduct policy was reviewed and approved as proposed (attached policy). Primary change was to include leaving the lights on in all occupied rooms.
Security - will schedule a meeting
Friends - Will be selling Breath NH fun passes as a fundraiser.

Unfinished Business
Staffing all is good
Facility Issues
Children’s room renovation priorities-H. Rainier to make connections regarding the flooring & cabinets.
HVAC-On January 28, Paradigm & Buderus will be meeting to review our boiler regarding our current problems we have been having. The boiler keeps shutting down.

As a result of November 28, 2018 CO poisoning of a Hooksett Library employee it was recommended that the library purchase and install hard wire CO detector that will part of our alarm system.

ECI Systems - Quoted CO monitoring: $2241.45. Includes installation of 3 detectors on lower level: Boiler room, Mechanical Room, main hallway (outer wall of the electrical room/orange storage room), downstairs and 2 on the first floor: Children’s Room & Hallway on the side wall of the Circulation desk. Will be tied into our fire alarm system

ECI Systems quoted $571.55 to install a cellular radio transmitter for alarm system. Plus, an additional $40.00 for monitoring. Steve Colburn Ass’t Fire Chief concurs that this is a good idea and the way things are headed in town. It was discussed and we will review the transmitter option at a later date after we review.

Affinity commercial-M. Farwell doesn’t think it would be effective. We all agreed that the best approach is the personal ask so that will be our focus.

M. Farwell will be provided a status on Affinity at our February meeting.
