Interim Service plan to start with Contactless Curbside service discussed. The library staff will follow a team approach to prevent potential spread of the virus among the staff. Each team will only work with one another and will not be in the library at times that other members of the alternate team are present. The intent is that if someone is exposed or contracts the virus, only that team will need to be quarantined. Starting June 9th the library will start offering Contact-Free Porch Pick Up to patrons have active holds on items that were in place prior to when we closed the building in March, they will be contacted by phone by a library staff member to sign up for a time slot for retrieving these holds, if they are still desired. After existing holds have been processed and appointments made, we will be accepting new hold requests, via the catalog, phone, or email to hplbooks@hooksettlibrary.org, for Hooksett items only (at this time). Patrons will select a 10-minute time slot during these hours. For the first week we will offer limited hours for Tuesday, Thursday & Saturday 9-1 and Thursday evening. Starting the week of June 15, 2020, we will expand to six days a week with the following schedule:
Monday - Saturday: 9:00am - 1:00pm; Tuesday & Thursday: 5:00pm - 7:30pm

B. Davis made a motion to move forward with the Interim Service plan starting on June 15, 2020. Library staff will be in the library starting on June 8th. Following the CDC guidelines, we will continue to have staff work from home when possible.
